## Summary

### About this Release

These data cubes (first published on 15 December 2008) have been reissued to correct Table 23: 'Families with children aged under 15 years, employment status of parent by type of child care'. The previously published counts were for adults in the various family types, rather than for the number of such families. Table 12 in 6361.0 has also been updated. The tabulation error does not affect other products such as the Confidentialised Unit Record File (CURF).
